

CARE HELP HOPE

Let us Love One Another

Valentine's Day is meant to be a time to express true love to one another – a giving of self without regard to whether we get something in return. In 1 Corinthians 13:4-7, we are shown what true love is supposed to look like: patient, kind, rejoices in truth – not in evil, supportive, loyal, hopeful, and trusting. Love is not to be: jealous, boastful, proud, rude, quick-tempered or selfish and love should not be focused on keeping a record of the wrong that others have done to us. Unfortunately, today's culture is attempting to steal that ideal love from us.

Culturally, Valentine's Day has become something much different; it's become a shallow and ritualistic day. The young man hurries to buy his girl flowers and he expects something physical in return. Our culture has made love a selfish, self-centered pursuit! Come March and April **we often see the broken-hearted girl at Pregnancy Services surprised that she is expecting**, and frequently feeling unloved and without hope.

We are here to give hope to these young women. Those who come to the center see true biblical love and they see that they are worthy of this love. As we show this way of true love, we need a community to walk with us. **We need you to help us change the world one life at a time.**

We are so thankful for our supporters who have come beside us to help us do our work at Pregnancy Services. You are helping us to show our community Godly love. Consider this – for a woman coming through our door, your gift could purchase a pregnancy test or educational materials to help aid her in the decision-making process. It could also help pay for necessary office supplies, electricity, or heating which helps keep our doors open. Without your help, none of this would even be possible.

Your partnership will allow us to continue to show love to our clients as we work to save lives.

Together for Life,
Jamie Fisher, LAS, CPST, Executive Director

HUMAN TRAFFICKING TASK FORCE

We are deeply thankful for the Upper Peninsula Human Trafficking Task Force and the meaningful training they provided at our center. We are grateful for your commitment to protecting the vulnerable and equipping others with knowledge and awareness. It is an honor to partner with those who serve with compassion, integrity, and a heart for justice. We collaborated in this training with DHHS, Tri-County Safe Harbor, Bay Pines, and the Delta County Victims Service Unit. Partnerships like this truly strengthens our ability to protect and support those who are most vulnerable in our community.

A LIFE LEGACY

A generous donation was recently given in memory of Joanne Taylor by the Shrock family and Joanne's nieces and nephews.

Joanne F. Taylor (Olson) passed away on September 21, 2025. Although Joanne traveled and lived in Texas and Missouri while married to her first husband who passed away unexpectedly in 1976, she grew up in Escanaba and came back and lived here most of her life. She was a beautician for over 40 years and owned and operated LaPetite Hair Salon. She lived frugally and believed strongly in giving to others. She was a devout Catholic, loved nature, animals, music, and her family and friends.

Joanne Taylor

Joanne strongly believed in our mission, and we are so grateful to honor her at Pregnancy Services of Delta County. Thank you to Joanne's family!

Peg enjoys gardening and says it brings her happiness to share her plants with others. Peg says, "I enjoy volunteering at Pregnancy Services! My time there brings a sense of peace. We pray as a group before each shift. I'm continually encouraged and inspired by the positive, caring volunteers and staff I work alongside. They brighten my day!"

NEW OFFICE MANAGER

We are excited to welcome Trina Sanville as our new Office Manager! Trina started in November. She has a Bachelors in Social Work from NMU and an Associates in Education. She comes to us with experience working in various non-profits in our community. Her goal is to use this education and experience to invest in our center and clients as much as possible. Trina is from the Gladstone area and has been married to her husband Jamie for 34 years. They have two adult children. She enjoys spending time with her husband and family, as well as their three cats.
